**DIPLOMA IN MENTAL
HEALTHCARE PRACTICE
LEVEL 4 (VOCATIONAL
QUALIFICATION)
2024/2025
PROSPECTUS**

WHO IS THE COURSE FOR?

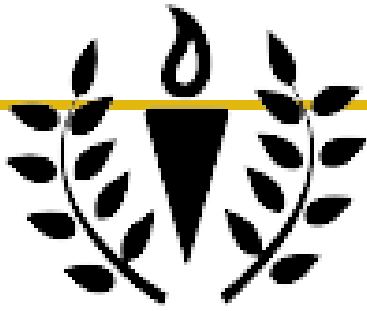

The Diploma in Mental Healthcare Practice Level 4 is designed for individuals who are currently working in or aspiring to enter the mental healthcare field. This includes healthcare assistants, support workers, and those looking to advance their skills and knowledge in mental health services. It is also suitable for professionals seeking to enhance their qualifications and career prospects in this specialized area.

The theory section of this level 3 diploma must be completed before you may attend the practical training, and foreign students must reside in the UK for at least six months in order to attend essential practices that will enable them to achieve the Diploma Level 4 grade.

A practice placement is being conducted at Brighton OFC College Training Center.

. Each module is structured with set activities to enable you to:

- Gain evidence base skills and knowledge to provide mental healthcare*
- Gain knowledge in mental health regulation*
- Understand how to practice effectively and safeguarding people diagnose with mental health problem*
